

PATROL CHALLENGE 2007

The WLACC Patrol Challenge train is building up steam!

Step aboard for the ride of the year! You never know where this train will take you, what exotic location you never knew existed, what crazy activity you didn't think you could do, what unique delicacy you will taste, what crazy predicament your Adult Leaders will end up in, along with a whole bunch of other cool activities and fun stuff.

All Webelos, Scout Troops, Venture Crews, Varsity Teams and Ships from WLACC, Ventura and Verdugo Councils will be participating – along with the Girl Scouts (Juniors and older) in these areas too. Everyone competes in their own category against their peers. Read about it scoutingmagazine.org/issues/0509/a-srch.html

Our website - www.bsa-la.org/events/patrolchallenge is evolving. We now have some great stories written by the participants and will have photos of prior years events plus you can download forms. Check out the site and come back from time to time to see what's new.
