- **Registration closes on May 6, 2017**
- Two deep leadership per team
- No cost to leaders
- Each team gets a participation ribbon
- Each scout gets a Cub Scout Cup patch
- Trophies award at Bill Hart Roundtable in June

### Are there a minimum number of scouts for a team?

Yes, each team is made of the same rank scouts with a minimum of (3) three and a maximum of (8) eight scouts.

### What leader requirements are there for the event?

Each team is required to have two registered adult leader/adult volunteer to guide the team through the day.

### What if I have some scouts come late or have to leave early for sports, like baseball or soccer?

The event is completely open all day long. If you have scouts drop out during the day due to previous commitments then the scoring will reflect that per each event. Most all of the events are timed divided by the number of team members to get a score. Adding or subtracting scouts will not affect your ability to complete.

### What time does it start and finish?

Check in starts at 7:30am and flag ceremony starts at 8:30am. The games will start right afterwards. Last year's event ended around 2pm for most teams.

### The event is in Newhall, is it open to other districts?

The event is open to any pack within the Western Los Angeles Council. We have had teams from every district in previous events.

### What logistic items are needed to compete?

Every scout competing needs to have a participation release form signed by their parent or guardian in order to compete.

### Can you make any recommendations on what to bring?

A shade area, easy up or tent, for your team's base camp. All the scouts should have plenty of snacks, food and drinks to get them through the day. In addition do not forget sunscreen, hats and everyone should wear comfortable shoes. Someone along the day will get a scrap, so a small portable first aid kit would not be a bad idea. In addition keep in mind that leaders may have to fill time between events. Some teams have done games, knot tying and crafts.

### In the past teams were judged on their spirit, will that be done again and what do teams do for this?

Yes, team spirit will again be a big part of the day. Again, Cub Scout Cup is fun with a purpose and promoting teamwork throughout the day is an important part. Teams are encouraged to have chats, cheers, yells, flags, shirts anything that can set themselves apart from the rest of the teams for having team spirit.

### What about lunch?

Lunch is not part of the entry fee. You can bring your lunch or Troop 303 is selling lunches as a fundraiser. Hotdogs, burgers and cheeseburgers. Also to make the lines go quicker they will pre-sell the combo meals before the event starts at the check in tables and give wristbands.

### What time is the event over so we can plan?

The event is open this year and when your team is done they can leave. This is also true for scouts coming and going. We realize sports and other family commitments come into play on this day, the events are designed so the team score is determined at the time of the event.

### Can we bring family and friends to watch and cheer our team?

Not only is it ok but we encourage you to bring them. This will be a great, memorable event and can be used for recruiting friends into scouting and also for the family to play, cheer and laugh along as we watch our scouts challenge themselves.
